

CONGRESSMAN DAN LIPINSKI

FIGHTING FOR SENIORS

Dear Neighbor,

Your hard work and sacrifices made our nation great, but you know we have seen better days. As your representative, I am focused on getting our nation back on track so our children and grandchildren have the opportunity to work hard at good jobs and live the American Dream.

I opposed giving the president the authority to “fast-track” bad trade deals through Congress. I have continually stood up to protect American workers and to grow new jobs by promoting innovation and requiring the government to buy American – not foreign – products.

I also know it is critical that we protect Social Security and Medicare and all those who rely on these crucial programs. We owe a great deal to those who have built and protected America, especially our veterans, and I remain dedicated to working for you. You understand that the only way to get anything done is by working together, and I am committed to being a leader who brings people together.

I hope to see you at one of my upcoming Senior Fairs. If you cannot attend any of these, please do not hesitate to stop by one of my offices or call 773-948-6223. You can also visit my website at lipinski.house.gov. It is an honor and privilege to represent you.

Sincerely,

A handwritten signature in cursive that reads "Dan".
