

CONGRESSMAN DAN LIPINSKI

Representing the People of the 3rd District

WINTER 2013 UPDATE • 113TH CONGRESS

Dear Neighbor,

On January 3, I had the honor and privilege of being sworn in to represent the 3rd Congressional District of Illinois in the U.S. House of Representatives.

In the 113th Congress I will continue to work to bring people together to solve problems in our communities and our nation. Most important will be focusing on policies that will help our economy to grow, enable hard-working families to succeed, and responsibly reduce our deficit. To share your views on these and other issues, you are invited to attend one of my Town Hall Meetings listed in this newsletter. As your representative, it is critical that I hear from you.

It is also a priority of mine to provide you with top-notch constituent services and organize various community programs and events, including fairs that provide help for seniors, veterans, and job seekers. This newsletter lists two Senior Fairs that I will be hosting in February.

To better serve your needs, I recently opened new district offices at Central Square in Lockport and in the Orland Park Village Hall. I also plan to announce the opening of mobile offices in other communities in the district in order to bring the services of my office to you.

As your representative, my door is always open to you. If you have any questions, please do not hesitate to call one of my district offices, call my Washington office toll free at 866-822-5701, or send an email through my website at www.lipinski.house.gov.

I also encourage you to sign up at my website to receive occasional electronic newsletters delivered to your email.

I hope to see you at one of my upcoming events.

Sincerely,

Dan Lipinski
